

Wakulla Gridiron Club

The Wakulla Gridiron Club is a group of parents, staff, alumni, friends and businesses of Wakulla War Eagle Football that provide support to players and coaches at Wakulla High by working to raise money to purchase much needed supplies, equipment, uniforms, and/or items beyond what the school's athletic budget can provide. Our mission is to enrich the Wakulla High football athletic community and the community at large by helping to provide financial support for our program.

Money is raised through Football Booster Club memberships and other key fundraising activities, such as: football field signs, selling local business ads for the football program, hosting an annual "Blue and White" game, Custom T-Shirts, hats and other products or special events.

During each school year, the Wakulla Gridiron Club provides tens of thousands of dollars in support given to War Eagle Football athletics raised through your donations and hard work on fundraising activities. We are currently working on some exciting new ideas to raise monies for the program and hope that all will support us even further in our efforts. In addition to your financial support, please feel free to contact any Wakulla Gridiron Club officer with more ideas on how you could contribute or volunteer your time. Please show Wakulla football athletics your support today by becoming a member of the Wakulla Gridiron Club.

Thank You – Nikki Crum, President
